Protect your privacy with these specialty scissors.

Nakabayashi

5  
blades

Cap with  
brush  
function

With five blades,  
these can easily cut  
all documents with  
sensitive information to shred.

WH (WHITE)

GN (GREEN)

### Cutting size image

With five blades, these can easily cut all documents with sensitive information to shred.

Using the tip of the cap, you can drop the trash caught between the blades.

The resin-made spacer helps to reduce friction and enable it easier cutting.
