

TACCIA®

TACCIA, born in California, is the brand for elegant and distinguished writing instruments.

Covenant

With its sheathed body, we embodied a timeless concept into an elegant writing instrument.

The new TACCIA Covenant builds on the original concept with a few key enhancements.

The body has been streamlined and internally re-structured, allowing for more comfort and wear.

Our cap system has been strengthened with a new inner sheath that provides a secure, airtight seal.

A writing instrument both sensible and sturdy, made with sleek lines and hand-turned resin.

The Covenant is available with Japanese stainless-steel nibs in EF, F and M.
